**T**Here are several Towns in the County of *NORFOLK* of the same Name, which lye in different Parts of the County ; as *Beeston* in *Taverham* Hundred, *Beeston* in *North-Erpingham* Hundred, *Beeston cum Bittering* in *Landitch* Hundred, and *Beeston Saint Laurence* in *Tunstead* Hundred, which are not distinguish'd in the Original Poll-Books : And therefore to avoid Mistakes, the Freeholds of all the *Beestons* are put under the General Title of *Beeston* ; and the like for all other Towns of the same Name.

But where Distinctions are made in the Original Poll-Books, they are here observ'd, by annexing the initial Letter of the Distinction to the Person's Name.

The Towns are set in an Alphabetical Order, and so are all the Freeholders under each Town. Each Page consists of Six Columns; the First contains the Names of the Freeholders, the Second the Place of their Residence, (when different from that of their Freehold) the other Four have the initial Letters of the Candidates Names set at Top, and the Black Lines drawn under them shew how every Freeholder voted.
